Second: CIA Prisons

EU accused of complicity in CIA flights

CIA officials insist EU governments knew extraordinary renditions were being carried out in Europe.

EU

US officials give weight to reports of CIA kidnappings in Europe

CIA officials have corroborated reports that extraordinary renditions - transfers of prisoners from one country to another bypassing due judicial rule - have taken place on European soil with the blessing of EU governments.

EU

CIA carried out up to 50 'renditions': EU investigator

The US Central Intelligence Agency has sent up to 50 suspects since 2001 to countries where they could face torture, a European Union investigator probing the CIA's actions in Europe said Wednesday.
